

Nekoosa Bucks Customer,

We have recently implemented a new and improved Nekoosa Bucks redemption site. All Nekoosa Bucks redeemed that exceed \$25 on the old site have been recorded and will be processed within the normal processing time.

Both new and return customers will need to register a My NCP user account to redeem Nekoosa Bucks going forward. Simply click the 'Create a My NCP user account' to register and start redeeming today.

If your account had an open balance of less than \$25 prior to our site upgrade you will receive an email or letter prior to Friday July 22nd with instructions on how to transition your balance over to your account on our new site.

As always we appreciate your business and loyalty to Nekoosa Coated Products. Give us a call at 1-800-388-8776 or email us at [nekoosabucks@ncpedge.com](mailto:nekoosabucks@ncpedge.com) if you have questions or issues.

Thanks.

Nekoosa Coated Products Team
