

Product Range

A4 Pre-collated – Ease of use, one tray

(5 x 500 sheets)

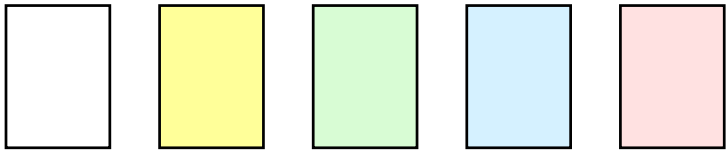

Simply load one tray of your copier-printer or network printer with 2, 3 or 4 part pre-collated reams and click print. For 3 and 4 part, check with your Xerox contact if your equipment needs straight or reverse collated.

A4 Single - Flexibility in color collation

(5 x 500 sheets)

Load your favorite color in different trays and program your equipment to print and collate for you. CB as top sheet of the set, CFB middle sheet and CF bottom sheet. Bottom sheet can be standard 80 or heavy weight cardboard 170 g.

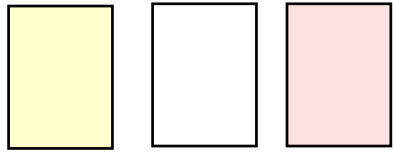

CB
CFB
CF

A4 Heavy weight 170 g CF

(5 x 250 sheets)

Easier to file. Individualizing sets.
Eliminates need for a cardboard separator between each set.

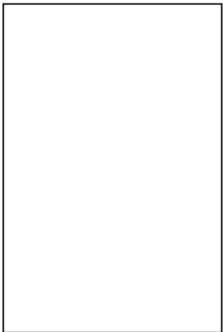

CF CF CF

SRA2 45 x 64 cm

(Box of 500 sheets)

For those who need a specific size, use SRA2 and trim to the exact required size. Also convenient for full color offset pre-print. Personalization, variables, bar codes can be added on laser copier and printers.
