The revolutionary vinyl
for on-demand,
short-run digital printing

ThermaTac® Removable Vinyl

Designed specifically for the high heat processes of toner-based digital printing, *ThermaTac* suits a wide range of applications from retail POP to bumper stickers. Available with removable adhesive or with ultra-removable adhesive for delicate or textured surfaces, *ThermaTac* features a clean strip edge that eliminates adhesive ooze during digital printing.

Removable Adhesive

- Aggressive removable adhesive with clean release
- Indoor and outdoor use
- Cleanly removable for up to six months
- Perfect for refrigerators or freezers

Ultra-Removable Adhesive

- Very low tac adhesive
- Leaves no residue
- Indoor use only
- Superior alternative to static cling
- Cleanly removable for up to six months
